Is there anyone in the group that has info on  
EKKO stamps? They were the 1920s broadcast radio's  
equivilent of Ham radio's QSL cards.

I would like any info you might be willing to share. I would be  
willing to put you in contact with others who collect/buy/sell them  
if you want--

Also ALWAYS looking for info on GILBERT radios,  
of the A.C. Gilbert kits of the 20s, or the Calif. radio of the 30s.

Any help/info/stamps appreciated.
